

Rute 691 Gribsvad
Stykket mellem Roldvej og Rundkørslen betjenes ikke.

The map shows the Fyns Motorvej (E20) running horizontally across the top. A blue line indicates a route starting from the west, passing through Gribsvad, Roldvej, and Østerskovvej, then turning south towards Roldslækker and Østerskov. A black pin is located on the road between Roldvej and Rundkørslen. A yellow line indicates the Middeløstvej (161) running diagonally from the top-left towards the bottom-right. A red circle with a white bar is placed on the Fyns Motorvej near Gribsvad. Another red circle with a white bar is placed on the Middeløstvej near Østerskovvej. The map also shows various other roads like Lillevej, Løngårvej, and Sortenkærvej, as well as geographical features like Hækkeballe Østerskov and Østerskov. The number 161 is visible on the Middeløstvej and near the bottom center.
